Lenten Study 2017

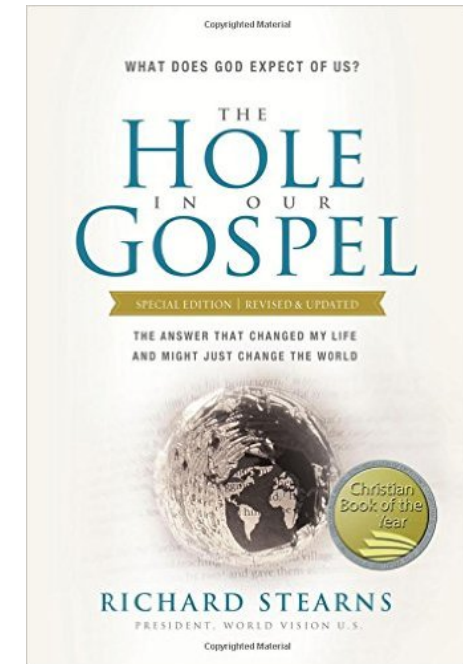

Lenten Study 2017 is *The Hole in our Gospel* by Richard Stearns. Is the Christian faith only about going to church, studying the Bible, and avoiding the most serious sins—or does God expect something more? Have we embraced the whole gospel or a gospel with a hole in it? Stearns says it took answering God’s call on his life, a call that tore him out of his corner office at one of America’s most prestigious corporations—to walk with the poorest of the poor in our world. Through personal story and theological reflection, the author demonstrates that the whole gospel was always meant to be a world-changing, social revolution that begins with each one of us. Richard Stearns is the president of World Vision, a Christian humanitarian aid, development, and advocacy organization active around the world.

Lenten Study 2017 includes a book study, sermon series, DVD, small groups, and invitations to mission opportunities. The following classes and groups are participating:
