

AUMC ELP/WPS
**Emergency Alert System
for Parents**

Remind is a messaging app that enables real time communication via text message or email. AUMC WPS & ELP will use this system to contact families when there is an emergency situation affecting the school. A message would be sent stating the emergency and any action that needs to be taken to all who are signed up for Remind under the class code for the WPS and ELP programs. When you see a message from Remind, it is an urgent message that requires your immediate action.

We are asking that anyone who may pick up your child from School during an emergency situation should join Remind. You may add as many mobile phone numbers or emails as are necessary. Messages are sent via text to mobile phone numbers or by email.

To join by TEXT:

1. Send the message-
@wps-elp to **81010**.
2. A text message will prompt you to enter your name.
3. A text message will ask if you are a student, parent, or teacher. Enter **P** for Parent.
4. A text message will state that you have joined WPS & ELP Parents.

To join by EMAIL:

1. Go to **remind.com**.
2. Click on **Sign Up**
3. Enter your email or mobile phone number and click "**Continue**".
4. Enter your name and create a password
5. Click on "**I'm a Parent**"
6. Enter mobile phone number or click on "**Skip this Step**" if you would like to receive emails instead of texts.
7. Enter class code of **wps-elp** and then click on "**Join**".
8. You have joined WPS & ELP Parents.
9. To enter additional people, click on the "**Add People**" blue button in top right corner of page.

Thank you in advance for your participation in the Remind AUMC WPS & ELP Emergency Alert System. Our primary concern at the school is the safety of the children. Your enrollment in this program assists us in ensuring communication to our families during emergency situations.
