

2018 PRAYER CALENDAR
VOLUNTEERS-IN-MISSION TEAM TO MOZAMBIQUE
AUGUST 1st – AUGUST 15th

On the first of August, nine AUMC members will be traveling to Mozambique to be the hands of God. Our trip will begin at AUMC as we gather before we leave for the airport. After our flights and long car ride, we will be staying in Cambine, Mozambique. In Cambine, we will create relationships with young children and share our love of Christ. Showing these young children the power of God through us. Our previous senior pastor, Dr. Clarence Brown, will also join us on this trip. He plans to lead us to the Cambine Seminary where he will use the words God gives him to demonstrate Gods love towards us. Lastly, our group will visit the widows of Hanhane. We will sit and listen to their stories as we give them supplies they are unable to obtain on their own. These moments of fellowship with the widows and young children will create relationships and show God’s love through us. We ask that you take a moment each day to pray for us.
